Dear Colleagues:

Carbondale has both a local historical society and a local history museum. That says a lot about our beloved Carbondale. It says that we have pride in our community. It says that we are very proud of our history and traditions and those who put Carbondale on the map almost two hundred years ago.

We're open for business every day from noon until 5 P.M., and just about every day we have visitors from town and from out of town, and it gives us great pleasure to be of service to them. At the same time, we are very involved in the community, in a dozen ways, and enrich, significantly, the lives of many. This Wednesday, for example, at the request of the Carbondale Nursing Home, we will do a program on local history for the residents at that facility.

We do what we do, because we believe it's important. We're all volunteers. No one in the organization gets paid to do anything. Our only source of funding for the entire year is membership dollars from about 100 members and friends--such as you. Without your membership support we couldn't exist.

A 2015 membership form is given below and also in the attached file. Take a positive stand for Carbondale. Become a member of the Carbondale Historical Society for 2015.

Thanks.

Sincerely,

S. Robert Powell
